MONTEROSA ZELANDI S.r.l., Italy

June 30, 2015 – FOR IMMEDIATE RELEASE

MONTEROSA ZELANDI S.r.l. and WICK IT, LLC are pleased to announce the commemoration of their 15th anniversary in partnership together.

Both companies share the same philosophy; “offer the customer a quality product at a fair price with honesty and integrity”.

This successful partnership has helped thousands of candle makers develop and produce some of the best candles in the industry.

WICK IT, LLC is the exclusive source in the United States and Canada for all candle wicks manufactured by MONTEROSA ZELANDI S.r.l..

Today there is a wide range of wicks on offer, designed with both the production process used in the candle industry and the characteristics of the final product in mind, whether this is an industrially produced or artistic candle.

The high quality of the products led the Regional Authority of Piedmont (Regione Piemonte) to award MONTEROSA ZELANDI S.r.l. the 'Eccellenza Artigiana' (Excellent Craftsmanship) label in December 2002.

In March 2006, the company became the first Italian supplier to be included in the restricted list of "RAL accredited suppliers", the European Quality Mark Candles, a source of pride that confirms the quality of our work.
